PROFILE

Founder and CEO of Webber Alpha, a founder-led digital studio that ships custom software, websites, international SEO and social growth on a fixed 14-business-day sprint. Electronics & Computer Science undergraduate at KIIT and IIT Bhubaneswar-certified in UI/UX. World Taekwondo Black Dan I representing India internationally, and a Model United Nations leader with 80+ conferences, from Best Delegate to Secretary General.

EXPERIENCE

Webber Alpha 2026 - PRESENT
FOUNDER & CEO

Founder-led digital studio for clients across North America, Europe and international tech hubs: custom software and CRMs, websites, international SEO and social media. A fixed 14-business-day sprint, scope-locked contracts and one point of accountability, with delivery through a managed specialist network.

Ocean Master Marine 2026 - PRESENT
TECH LEAD & WEB DEVELOPER

Leads technical development and the web presence for a marine business.

Nova Nexis 2024 - PRESENT
AI RESEARCH CONTRIBUTOR

Concept and design work applying artificial intelligence to real-world problems.

Kia Hospitality 2025 - 2026
OPERATIONS MANAGEMENT

Inventory, sales, accounts and staff hiring for a Jio-bp Wild Bean Café.

Arc Shipping Services 2025 - 2026
EXCEL MANAGEMENT

Turned paperwork and manual records into structured Excel systems.

Sonar Marine 2023 - 2025
BOOKKEEPER

Transaction records and B2B deal documentation.
